

Cruisehammer August 2022?

Aug 07 – 14th, 2022

Cruisehammer 2021 is looking at moving to August 2022

*We hope this information finds everyone well & surviving this ongoing unprecedented time. Given travel challenges still seem to be with us, we are looking at the possibility of rescheduling Cruisehammer to August 2022. **Here is some important updated information:***

Already Registered?

We have some options for your consideration.

Our final payments are due by mid-May 2021. If we proceed with final payment, your bookings are covered under Royal Caribbean's "Cruise with Confidence" which means you can cancel for any reason up to 48 hours prior to sailing and receive a 100% future cruise credit.

If Royal Caribbean cancels the cruise, they will more than likely give the following options:

- a full refund
- a future cruise credit at 125% of the cruise fare
- or in some cases they have been allowing a "Lift & Shift" – which price protects your existing booking for the next year

All that said, we may decide to move to 2022 prior to our May final payment date at which time you will have the options to:

- Cancel for a refund*
- Proceed to final payment and take the 2021 cruise however there will not be an official Cruisehammer Event.
- If you proceed and the cruise is cancelled the options listed above will more than likely be given by Royal Caribbean and you can then sign up for the 2022 event.
- Last but not least, keep the current booking and sign up for the 2022 event!

*If you had a non-refundable deposit, they will allow you to move to another sailing without an admin charge. There is only one booking that is currently non-refundable in the group.

Being cautious, we have secured space for Aug 2022. It's a week earlier as the conference space was not available for the same week.

Next steps:

Things are evolving each day with vaccinations and the cruise industry. It is difficult to predict what the next few months will bring. If we are moving to 2022, it would be best to do so before the end of April as then next years booking would also be protected under the “Cruise with Confidence” policy (book by April 30/21).

We will keep you posted on the decision on whether or not we will officially move in 2022. In the meantime, please let me know if you have any questions or thoughts around dates.
